

# ALFD24WBV

32" x 23.38" x 22.75" (H x W x D)

ADA compliant built-in or freestanding dual zone wine/beverage center with French door swing and seamless stainless steel trimmed glass doors

### Highlights:

- 32" height for an easy fit under lower ADA compliant counters
- Flexible design allows built-in or freestanding use in 24" spaces
- Seamless stainless steel trim on glass doors brings elevated style under the counter

### Product Features:

|                               |                                                                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant                 | Sized at just 32" high for installation under lower ADA compliant counters                                                              |
| Built-in capable              | Make the best use of space by installing your appliance under the counter                                                               |
| Height adjustable             | Leveling legs can raise the unit to up to 33.5" for more standardized counters                                                          |
| Seamless stainless steel trim | Glass is framed by seamless 304 grade stainless steel                                                                                   |
| Digital thermostats           | Set and adjust two temperature zones separately with easy-to-use digital controls that display the temperature in Celsius or Fahrenheit |
| Two temperature zones         | Independent zones let you store beverages in the left compartment and wine in the right                                                 |
| Factory installed locks       | Each door includes a keyed lock for optional security                                                                                   |
| Adjustable wooden shelves     | Wine zone includes size adjustable wooden shelves in a modern jet black finish                                                          |
| Adjustable glass shelves      | Spill-proof glass shelves make it easy to store and display bottles and cans in the beverage zone                                       |
